# RASPA workshop Delft (Sep. 2-4, 2024)

The RASPA workshop will be held at Delft University of Technology (The Netherlands), September 2-4, 2024, just before the start of the Thermodynamics2024 conference. The workshop focuses on a practical understanding of **molecular simulations of fluids, ionic liquids, and nanoporous materials and application to practical examples**. The duration is 3 days, with morning-lectures and afternoon-exercises.
